Did you see Artemis II space shuttle launch on Wednesday night? What a spectacular sight. We are very fortunate to be able to see this history making event.

Thank you to Terry Brannan, Debbie Klink, Kelly Bailey, Duane Messier, Sandra Lloyd & James. All your hard work around our community is much appreciated; freshly painted lamp posts (love how they match our roofs), new white vinyl post sleeves, for painting the building number/unit signs, And a special thank you to Duane for the added touch of reflector lights on the top of our building number signs.

## ANNUAL COMMUNITY YARD SALE

Our community yard sale on 3/27 & 28 was a bit disappointing as we usually have a minimum of 10 families involved. The sign up sheet indicated we would have 12+ but many cancelled, no-showed or set-up late thus our presence when pulling into the complex was sparse and not very exciting. Thank you to those of you who did participate. It takes a lot of work to make the event happen. We will keep you posted should we decide to arrange this again in the future but looking doubtful.

### LETTER FROM A FERAL CAT

I may never be a lap cat,  
or one who comes when called,  
I may resist the hand that tries to touch,  
And some may think I'm flawed.  
I may prefer my freedom,  
To your warm and cozy house,  
I may reject the bowl of finest foods,  
For the chance to chase a mouse.  
But the box you put out for me,  
Feels safe and warm and dry,  
And I raise my eyes to thank you,  
When I see you walking by.  
And I eat the food you give me,  
And I listen to your voice,  
I may never be a lap cat,  
But you offer me that choice.  
One day I'll see the winter,  
One day I'll see the rain,  
I may grow old not knowing,  
That there is freedom from this pain.  
But I know you try to help me,  
And although my days will end,  
I may never be a lap cat,  
But I know you are my friend.
